

# GRC Will be Keeping it Cool at the 2019 Shanghai IDC Expo!

GRC will be making our debut at the 2019 Shanghai International Data Center Exhibition from 2019 April 21st – 22nd at the Shanghai New International Expo Center (SNIEC), located at 2345 Longyang Road, Pudong New Area, Shanghai P.R.C. 201204. The Greater China team will be sharing insights and expertise on GRC's patented single phase immersion cooling solutions and how they can support China's new data center government policies and efficiency targets.
